Hiring Manager

Recruitment Department
Cebu City, Philippines

Dear Hiring Manager,

I am writing to express my strong interest in joining your organization as a Customer Support and Sales Specialist.

With a solid foundation in Computer Science combined with hands-on, high-performing experience in the BPO industry, I am confident in my ability to deliver technical excellence and outstanding sales results for your team.

During my recent tenure at Teleperformance in Cebu City, I mastered a multi-faceted Technical Support role where I balanced complex technical troubleshooting with billing and account operations. My dedication to high performance was recognized early on when I was handpicked during the nesting phase to serve as a representative to promote our site. Furthermore, I demonstrated strong agility and sales acumen by generating approximately \$2,000 in sales commissions within just two days of being endorsed to live production.

Beyond technical and communication metrics, my academic background as an award-winning STEM researcher has equipped me with sharp analytical and problem-solving skills. I excel under pressure, adopt new digital workflows effortlessly, and maintain absolute precision when performing backend administrative tasks.

I am eager to contribute my energy, technical troubleshooting expertise, and proven sales capability to your fast-growing team.

Thank you for your time and consideration. I look forward to the opportunity to discuss how my background matches your current operational goals.

Sincerely,

Erwericson Bueno
